“Thank You!” to Minnesota Family Farmers and Ranchers

ST. PAUL (March 18, 2015) – Minnesota Farmers Union would like to thank farmers and ranchers for their hard work and dedication in honor of Minnesota Agriculture Week, March 15-21, 2015.

“Family Farmers and ranchers are a vital part of Minnesota” says Minnesota Farmers Union President Doug Peterson, “Family Farmers and ranchers are the original green energy. I am proud to stand for farmers in return for all they do for us, and am dedicated to supporting them.”

The U.S. farmer of today produces enough food and fiber for approximately 160 people. Farmers receive just under \$.16 of every consumer dollar that is spent on food. It is important for consumers to appreciate the safe and quality food that is provided to consumers from the Minnesota Farmers.
