Enjoy pizza and a chopper at the Minnesota Farmers Union's Farmfest booth!

ST. PAUL (July 24, 2015) – Minnesota Farmers Union (MFU) will be joining hundreds of Farmers and Ag industry leaders at this year's Farmfest. Farmfest is held at Gilfillan Estate outside Redwood Falls, Minnesota on Tuesday, August 4 - Thursday, August 6.

Minnesota Farmers Union will be displaying the "Trusted Choice Chopper" this year at their building, which is located on lot 509. This chopper was custom built for Trusted Choice and the Minnesota Independent Insurance agents & Brokers by Paul Teutul Sr. of Orange County Choppers. Stop in at the MFU hoop barn and get your picture taken with the "Trusted Choice Chopper".

Delicious wood-fired Neapolitan pizza will be available at the Minnesota Farmers Union building this year. Tru Pizza Truck works hard to have truly authentic tasting Italian pizza with ingredients sourced from the best local sources.

"Farmfest is about getting together to talk about Ag policy and what is going on with local family farmers," said Doug Peterson, Minnesota Farmers Union President. "Minnesota Farmers Union has a great location just west of the forum building on lot 509 in the hoop barn. Stop by, get a local-ingredient piece of pizza, check out the chopper and have a good conversation. See you out there!"
