

A grassroots, member-driven organization – but, **WHAT'S THE PROCESS?**

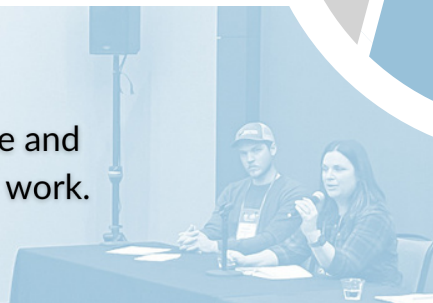

AMPLIFYING YOUR VOICE

Policies adopted at the state and national level guide our advocacy. We are the voice of family farmers in St. Paul and Washington, D.C.

DEBATING POLICY

Delegates to the State and National Conventions debate and adopt policy that guides our work.

FARMER-TO-FARMER CONVERSATIONS

Farmers band together to collectively organize for fair prices, sound agricultural policy and quality-of-life issues.

BUILDING COMMUNITY

County organizations hold annual conventions to debate issues, draft resolutions, and elect delegates to the State Convention.
