

## 2026 Overnight Camp Theme Nights

Campers at our elementary, junior, and senior camp sessions are invited to dress up each night for a theme - the more homemade and creative the better!

### Theme Descriptions:

- Biker vs Surfer: *Get ready to rev your engines or ride the waves for this rad theme night!*
- Space Alien Galaxy: *We're travelling the stars together for this theme night – who knows what we'll encounter out there!*
- Tacky Prom: *Tonight's the night where we combine "looking your best" with "having the night of your life" – join us for our Tacky Prom Night as we celebrate the last evening of camp*
- White Lies: *What will you write on your shirt? Senior campers will be creating their "white lies" costumes while at camp – this theme night will feature a whole camp full of white T-Shirts with little white lies.*
- Banquet Night: *Wear something that makes you feel a little dressier and more festive! Button down shirts, sun dresses, and nice pants are some great options.*
